Dear Colleagues,

We warmly invite you to attend the **3rd International Workshop on Neonatology** and the **2nd Congress of Neonatal Haematology** to be held in Cagliari, which follow the successful one held last year.

We are sure that all of us look forward to this annual appointment to discuss current issues and to bring ourselves an update on the latest in research and clinical neonatology.

The Meeting is open to Neonatologists, Pediatricians, Obstetricians, Perinatologists, Ultrasonographers, Pediatric Nephrologists, Pediatric Urologists, Nurses, Midwives and all those who are interested in the newborn infant.

Much time has been given over to walking poster sessions. Finally, three prizes (500,00 Euros) will be awarded to the best scientific posters presented in the meeting.

The Presidents and the Scientific Secretariat are proud to invite you to participate in this meeting, not only for its scientific content, but also for its social and cultural significance.
